¹ Separate criteria are established for schools where living together as a chapter is against school policy.

² For chapters that do not have formal leases signed with each individual brother, a letter signed by the chapter's alumni corporation president or treasurer testifying to the brother's residence in the chapter house throughout the 2023-24 academic year is an acceptable substitute. For chapters without a Sig house, please provide appropriate documentation of involvement in the Society and leadership in campus organizations as stipulated in the program description.
